# DPRA Cancellation Policy Report

## Purpose of Presentation

Research and present options that balance the ability to cancel reservations while minimizing revenue loss to DPRA. Seek direction on adjusting the cancellation policy that would ultimately impact DPRA customers

## Current Policy

- Full stay charged at booking, including \$15 non-refundable reservation fee
- Cancellation  $\geq 7$  days before arrival: full refund minus \$15 reservation fee and \$15 cancellation fee as check or returned to credit card
- Cancellation  $< 7$  days: full refund minus reservation and cancellation fee issued as voucher
- Within 24 hours, forfeit 1 night + reservation and cancellation fees issued as a voucher

## Challenges

- Loss of Revenue
- "Gatekeeping" Sites with the intention to make changes/Reduce their stay
- Voucher System/Credit Card Refunds
- Revolving Funds for Refunds

# DPRA Cancellation Report

Cancel within 24 hours and forfeit the first night  
plus any applicable fees.

## Tiered

gets closer (i.e. 100% → 50% → 25% up to 4 weeks  
out)

**Pros:**

- Reduces revenue loss
- Creates more chances to rebook canceled sites
- Encourages earlier cancellations

**Cons:**

- Limited by current reservation system capabilities

**Who uses a similar policy:**

- Kennedy Meadows Cabins
- Yosemite Cedar Lodge

# DPRA Cancellation Report

### **Pros:**

- Guaranteed revenue
- Gives customers a discounted option
