Don Pedro Fireworks Celebration Postponed La Grange, California; June 9, 2020

It is with mixed feelings that we announce that the 2020 Don Pedro Fireworks will be postponed. While we are saddened to not be able to celebrate Independence Day in our usual manner, we are looking forward to holding the fireworks show when we can safely welcome all our friends to the lake for this exciting event!

At this time, gatherings such as our annual fireworks celebration are still prohibited under the Tuolumne County Public Health Order. Also in compliance with the order, the swimming lagoon and camping opportunities remain closed. We are hopeful that postponing the celebration will allow time enough to re-open all recreation options and not be required to limit the number of visitors to the lake for the fireworks show.

We have not yet determined a new date for the fireworks show, but we continue to monitor Tuolumne County's re-opening progress and look forward to announcing a date for the 2020 show as soon as possible. We know that this is as important a tradition to so many of you as it is to us and we encourage you to continue to check the website and our Facebook page for updates.

We look forward to seeing you at the lake soon! Please remember that social distancing restrictions are still in place, both on shore and in the water. We thank you in advance for being mindful of physical distancing from others not in your household.

For questions or concerns regarding campgrounds or reservation cancellations, please contact us at DPRC@TID.ORG.
