APPENDIX A

§ 4.5.14 - HOUSEBOAT RULES

1. A current Houseboat Permit Holder and his or her spouse may acquire an interest in a second Houseboat for the purpose of modifying Houseboat size and or quality only, provided that only one Houseboat may be operated on Don Pedro Lake at any time.
2. A second Houseboat may be moored on Don Pedro Lake while it is for sale, but shall be operated only with permission of the Agency.
- b. Prior Agency approval is required before the purchase of a second Houseboat with a permit for Don Pedro Lake.
 1. Interests in second Houseboat Permits may be owned for a maximum of two Years from the purchase date when the purpose is for remodeling, repair or New Construction of a Houseboat.
 2. Interests in second Houseboat Permits may be owned for a maximum of one Year only when no remodeling, repair or New Construction of a Houseboat is to take place.
- c. No Person or Persons who have ever had a Houseboat Permit revoked or have ever been subject to non-renewal of their Houseboat Permit shall be eligible to apply for a Houseboat Permit again.

2.02. HOUSEBOAT PERMIT WAITING LIST.

- a. The Agency at its discretion may open or close the Waiting List to new applicants.
- b. Applicants for Houseboat Permits must submit a written request to the Agency to have their names added to the Waiting List.
- c. No current Houseboat Permit Holder will be placed on or shall remain on the Waiting List.
- d. Priority on the Waiting List will be ranked in order of the date and time each written request is received by the Agency with the oldest receipt date having the highest priority.
- e. When a Houseboat Permit is available, the highest applicant on the Waiting List will be offered the Houseboat Permit subject to these Rules:
 1. Applicants will be sent a "Notice of Houseboat Permit Availability" by certified mail to the address listed on the request.
 2. Applicants must accept or decline the offer for a Houseboat Permit in writing received by the Agency within 30 Days after the date of "Notice of Houseboat Permit Availability." If an acceptance is not received within the 30 Day time period, the offer will be deemed declined and the applicant will be removed from the waiting list.
 3. The required "First Year Permit Fee" must be paid to the Agency within five Days of the date of the applicant's acceptance of the permit. Failure to pay the required First Year Permit Fee to the Agency within this five-Day period, for whatever reason, will result in the denial of the Houseboat Permit and removal of the Applicant(s) from the Waiting List.
 4. Failure of the Applicant(s), for whatever reason, to receive a Notice of Houseboat Permit Availability shall not entitle the Applicant(s) to any relief from the Agency's denial of the Houseboat Permit or from removal from the Waiting List.
- f. Applicant(s) on the Waiting List cannot sell, trade, give, assign, or otherwise transfer their position on the Waiting List to another Person or entity.

- d. When registration is by United States Coast Guard Documentation the following will be required:
 1. If proof of USCG documentation cannot be secured within fourteen Days, the new owner(s) shall submit a copy of their USCG National Vessel Documentation Center application to the Agency within fourteen Days.
 2. The new owner(s) shall submit a copy of their official USCG Certificate of Documentation to the Agency no later than three months from the date of the Change of Ownership.
- e. The new owner(s) must provide to the Agency a certificate of insurance evidencing coverage as described in section 1.06 of these Rules within fourteen (14) Days of the date of Change of Ownership.

2.06. *CHANGE OF ASSIGNED CONCESSIONAIRE*

Houseboat Permit Holders wishing to change the authorized mooring location of their Houseboat from one marina concession area to another must make a written request to the Agency identifying the permit Holder's new preferred location. The Agency will maintain a Relocation List of all Houseboat Permit Holder(s) desiring to relocate their Houseboats.

DON PEDRO RECREATION AGENCY
REGULATIONS AND ORDINANCES

APPENDIX A

§ 4.5.14 - HOUSEBOAT RULES

- a. Relocation applicants will be ranked on the Relocation List in order of the date that their respective written requests were received by the Agency with the oldest requests having the highest priority.
- b. Relocation requests received on the same Day will be ranked in order of the length of time each relocation applicant has held his Houseboat Permit with the most senior Houseboat Permit Holder having the highest priority of the relocation requests received on the same Day.
- c. When a mooring space is available at the marina concession area of choice, the Agency will notify by mail the requesting Houseboat Permit Holder having the highest priority on such list.
- d. The Houseboat Permit Holder will then notify the respective marinas, sign a mooring agreement with the new Assigned Concessionaire and pay the Agency the required Change of Assigned Concessionaire Fee.
- e. Location change will not take place until written notification from the Agency is given to the Houseboat Permit Holder stating the designated relocation date.

3. HOUSEBOAT REPAIR, REPLACEMENT, CONSTRUCTION AND MAINTENANCE

3.01. HOUSEBOAT REMOVAL AND LAUNCH

Houseboat Permit Holder(s) must obtain prior authorization from the Agency to use launch ramps for Houseboat removal and Houseboat launch.

- a. Houseboat Permit Holders shall notify the Agency a minimum of seven Days in advance of the date when a Houseboat is to be removed from Don Pedro Lake for repairs or replacement, except in emergencies.
- b. Houseboat Permit Holders shall notify the Agency and arrange for a pre-launch inspection of their Houseboat a minimum of fourteen Days in advance of the planned launch date.
- c. All Houseboats must pass the Agency inspection prior to launch.
- d. Vendors hired to remove or launch Houseboats shall be subject to Applicable Laws, vendor permit and insurance requirements.
- e. Permitted Houseboats removed from Don Pedro Lake shall re-launch within five Years from the date of their removal.
- f. Permitted Houseboats already removed from Don Pedro Lake shall have a maximum of five Years from the effective date of these Rules to re-launch.

3.02. REPAIR FACILITIES

The Agency has established facilities within the Recreation Area for repair of Houseboats moored on Don Pedro Lake.

- a. Only Houseboats with valid Houseboat Permits are authorized to use the Blue Oaks Houseboat Repair Yard
- b. The Agency Board of Control shall adopt Regulations for operation of the Repair Yard with which all Houseboat Permit Holders must comply.

3.03. REPAIR OR REPLACEMENT REQUIREMENT

The Houseboat Permit Holder shall repair or replace the Houseboat in the event the Houseboat is damaged, destroyed, the motor inoperable, or the Houseboat is removed from the Recreation Area.

- a. All such repairs or replacement shall commence within ninety (90) Days after the Houseboat has been damaged, destroyed, rendered inoperable, or removed from the Recreation Area.
- b. Houseboat Permit Holders will notify the Agency of any intent to construct or acquire a replacement Houseboat.
- c. During repairs and/or replacement all Houseboat Permit owners must maintain in good standing all applicable Agency and Concessionaire fees, including but not limited to, Assigned Concessionaire mooring/buoy fees.
- d. Liability insurance as prescribed by section 1.06 of these Rules shall be maintained on all Houseboats that remain within the Recreation Area during repairs and / or replacement.
- e. With prior approval of the Agency, replacement Houseboats for current Houseboat Permit Holders may be constructed in the Blue Oaks Houseboat Repair Yard prior to removal of the currently owned and permitted Houseboat from the lake.
- f. Houseboats being replaced shall be removed from the Recreation Area and the permit transferred to the replacement Houseboat prior to launch.

REGULATIONS AND ORDINANCES

APPENDIX A

§ 4.5.14 - HOUSEBOAT RULES

4. All new hollow Flotation Device compartments that do not contain Storage or Mechanical Compartments shall be pressure tested prior to their launch and shall be capable of holding positive pressure.
5. Metal Flotation Devices:
All new Flotation Devices constructed of metal shall meet or exceed the following requirements:
 - ◆ Minimum of ten gauge (1/8 inch) thickness for all mild steel construction.
 - ◆ Minimum of ten gauge (1/8 inch) thickness for all aluminum construction.
 - ◆ Minimum of twelve gauge (3/32 inch) thickness 304 grade stainless steel, or other twelve gauge 300 series stainless steel with characteristics equal to or greater than the characteristics of 304 grade.
 - ◆ All mild steel and aluminum Flotation Devices shall be fitted with appropriate anti-electrolysis “anode” plates or other Agency approved systems that protect against electrolysis.
6. A plan detailing Flotation Device dimensions, displacement, and boatload capacity shall be submitted to the Agency prior to completion of any new Houseboat construction or Flotation Device reconstruction.
- h. The minimum lower (main) deck height (excluding swim decks) of all Houseboats when fully loaded shall not be less than 12 inches above the water line.

3.09. SANITARY FACILITIES.

Each Houseboat’s Wastewater system shall be maintained in strict compliance with Applicable Laws.

- a. All Wastewater shall be delivered into on-board holding tanks.
- b. All Wastewater holding tanks shall be emptied only by pumping into an Agency approved Wastewater system.
- c. No Wastewater of any type shall at any time be in any way discharged into the lake.
- d. All Houseboats shall be provided with a toilet facility and Wastewater holding tank.
- e. The Wastewater holding tank and connected plumbing shall be constructed and maintained in such a manner that the tank can be emptied only by pump-out equipment.
- f. No drain plugs shall be installed below the bottom of the toilet level.
- g. Any Houseboat having a sink, shower, washbasin or other facility must provide plumbing so that all Wastewater from these facilities is piped to the holding tank(s).
- h. Holding tanks may be constructed of stainless steel, mild steel, aluminum, reinforced fiberglass or Wastewater grade reinforced plastic.
 1. All new holding tanks are subject to the New Construction requirements so set forth in section 3.09.k.
 2. Holding tanks shall be painted, coated or otherwise fully protected from rust, corrosion and weathering.
 3. Holding tanks shall be Watertight and free of any leaks.
 4. The Agency reserves the right to require replacement of holding tanks believed to be in a state of deterioration.
- i. Holding tanks shall have a combined minimum total capacity of 100 gallons.
- j. Holding Tank Attachments and Fittings:
 1. Openings to pump-outs, vents, clean-outs, etc., must be a minimum of 15” above the lower deck.
 2. Pump-outs for more than one holding tank shall be located together.
 3. All fittings to holding tanks shall be glued, welded or otherwise permanently sealed and attached.
 4. Where attachments and fittings are clamped, a permanent clamp shall be used whenever possible.
 5. Prior Agency authorization is required to use screw clamps on any Wastewater plumbing.

§ 4.5.14 - HOUSEBOAT RULES

- k. New Construction Only: In addition to the requirements in 3.09.a. through j., the following requirements shall apply to all new holding tanks constructed or replaced after the effective date of these regulations:
1. All new holding tanks shall have a combined minimum total capacity of 200 gallons.
 2. All new holding tanks shall not exceed a combined maximum total capacity of 600 gallons.
 3. The interior surfaces of all new holding tanks (including replacement tanks) unless constructed of chemically resistant stainless steel, fiberglass or Wastewater grade reinforced plastic shall be sandblasted and lined / coated with a suitable impervious material such as Coal Tar Epoxy or equivalent prior to installation.
 4. Any new or replacement holding tank installed so that it is in contact with lake water shall meet or exceed the following New Construction requirements:
 - ◆ Minimum of twelve gauge (3/32 inch) thickness 304 grade stainless steel or other twelve gauge 300 series stainless steel with characteristics equal to or greater than the characteristics of 304 grade will be permitted for single wall holding tanks.
 - ◆ Holding tanks constructed of other materials shall be a separate tank constructed of chemically resistant materials that is located within an approved outer flotation wall. Such tanks shall be equipped with a Watertight fitting that would permit inspection for leakage between this outer flotation wall and the inner tank.
 5. Center mount holding tanks that are constructed and installed in a manner so that they will ride above the Waterline when the Houseboat is fully loaded may be of single wall mild steel or other approved material construction.

3.10. SIZE LIMITATIONS.

- a. The following size limitations shall be in effect for all Houseboats unless an exception or exemption is listed:
1. Minimum Size:
 - ◆ 12 feet width, 30 feet length.
 - ◆ Existing Houseboats constructed prior to December 8, 2017 that are less than 12' in width and 30' long will be exempt from this rule.
 2. Absolute Maximum Size:
 - ◆ 22 feet width, 56 feet length (all inclusive).
 - ◆ 24 feet width, 56 feet length (all inclusive) shall be permitted only when the assigned mooring location is designated by the Assigned Concessionaire to accommodate a vessel of up to 24 feet in width.
 - ◆ Out-drives, motor gear, swim decks and all other parts of the Houseboat shall remain within these dimensions whenever the Houseboat is left Unattended and is moored at its assigned mooring location.
 - ◆ With prior Agency approval, bumpers or similar devices attached to the perimeter of the Houseboat for protection purposes only may exceed these dimensions.
 - ◆ With prior Agency approval, Houseboats owned by an Agency approved concessionaire for the purpose of rental to the public may vary from the size limitations in this section.
 3. Maximum Height:
 - ◆ The Agency recommends one story with open upper deck.
 - ◆ No enclosed structures shall be permitted to extend beyond 15 feet above the Waterline.
 - ◆ Enclosed structures shall be permitted to extend to a maximum of 16 feet above the Waterline only when the assigned mooring location is designated by the Assigned Concessionaire to accommodate a vessel with such height.
 - ◆ The upper deck may be covered by use of open frame and awning provided that the awning is firmly attached, maintained in good condition, is constructed of flame resistant materials and allows for the passage of wind.
 - ◆ Those Houseboats with existing permanent structures (excluding add-on walk-in storage buildings) that exceed these height limits that were constructed prior to August 13, 1999 shall be exempted from this rule.
- b. Houseboats, which exceed the size limitations under section 3.10.a., may not be reconstructed to exceed those size limitations.

APPENDIX A

§ 4.5.14 - HOUSEBOAT RULES

3.11. *HOUSEBOAT TO MOORING BUOY HOOKUP.*

- a. A Primary Mooring (connecting) device between the Houseboat and mooring buoy is required.
 - 1. This Primary Mooring Device when attached between the Houseboat and its mooring buoy shall be of sufficient size and strength to hold the Houseboat no further than thirty-six (36) inches away from its mooring buoy.
 - 2. The Primary Mooring Device shall conform to all standards established by the Assigned Concessionaire.
 - ◆ The Assigned Concessionaire shall provide these standards in writing to all Houseboat Permit Holders assigned to that marina.
- b. In addition to the Primary Mooring device, a Secondary Safety Mooring Device between the Houseboat and the mooring buoy is also required.
 - 1. The Secondary Safety Mooring Device shall be of chain, cable or wire rope of sufficient size and strength to hold the Houseboat to the mooring buoy in the event of the failure or disconnection of the Primary Mooring Device.
 - 2. The Secondary Safety Mooring Device shall conform to all standards established by the Assigned Concessionaire.
 - ◆ The Assigned Concessionaire shall provide these standards in writing to all Houseboat Permit Holders assigned to that marina.
- c. All Houseboats shall be equipped with the Primary Mooring Device and the Secondary Safety Mooring Device however; those Houseboats, which are moored in slips at a Marina, need not use these devices while moored there.
- d. The Moccasin Marina Concessionaire shall provide written specifications for "rear tie-up" to Houseboat Permit Holders assigned to mooring buoys at Moccasin whose Houseboats cannot free swing and must be tied end to end.
 - 1. A minimum of 5/8" poly- propylene or equivalent rope shall be used for all rear tie-ups.

3.12. *PRECEDENCE OF STATE AND FEDERAL REQUIREMENTS OVER AGENCY CONSTRUCTION STANDARDS*

- a. While every effort is made to ensure that Agency construction standards are consistent with Applicable Laws, there can be no guarantee that compliance with the Agency construction standards will assure compliance with applicable Federal and State requirements.
 - 1. The Federal and State requirements, to the extent they are inconsistent with the Agency construction standards, will supersede the Agency standards.
 - 2. Agency requirements may exceed State and Federal requirements.
- b. Houseboat Permit Holders should consult the manual of *Standards and Recommended Practices for Small Craft* published by the American Boat and yacht Council as well as the U.S. Coast Guard and the Tuolumne County Sheriff's Boat Patrol for Federal and State Standards.

4. ENFORCEMENT OF HOUSEBOAT RULES

4.01. *ADMINISTRATION.*

- a. The Agency may make inspections and take actions to enforce the provisions of these Rules.
- b. The Agency may inspect any Houseboat at any time for the purpose of insuring compliance with Applicable Laws.
 - 1. *Right of Entry:* No Houseboat Permit Holder or any other Person using or having charge, care or control of any Houseboat shall fail or neglect, after an authorized Agency representative has identified himself or herself, to promptly permit entry therein by the Agency representative for the purpose of such an inspection.
 - 2. All Houseboat Permit Holders shall make all Persons using their Houseboat aware of the Agency's right of entry, as specified in this section 4.01.

4.02. *COMPLIANCE.*

- a. After any order of the Agency or decision of the Houseboat Appeals Board made pursuant to these Rules, no Person to whom any such order or decision is directed shall fail, neglect, or refuse to obey any such order.

DON PEDRO RECREATION AGENCY
REGULATIONS AND ORDINANCES

APPENDIX A

§ 4.5.14 - HOUSEBOAT RULES

- b. If, after any order or decision made pursuant to these Rules, the Person or Persons to whom such order or decision is directed shall fail, neglect or refuse to obey such order or decision, the Agency may institute any appropriate action under Applicable Laws.
